

PHARISEE IN ME

Writers: Sam McCabe, Temitope Peters, Nick Schwarz

Verse 1:

1 **4**
I love in theory, but not in practice, am I worshiping You if I worship for status
1 **4**
Forgetting the ones lost in the margins cause I focus too hard on the laws and the doctrine
6 **5** **4**
Neglecting the important things in life
6 **4** **5**
Ignoring those here right before my eyes (won't You)

Chorus:

1 **6**
Change my heart, change my mind,
4 **5**
Break down the stone, break down my pride
1 **6**
The pharisee in me, is falling to its knees
4 **5** **1**
Begging You for mercy, begging You to please (change my heart)

Verse 2:

1 **4**
Think I'm full but my soul starved, busyness leaves my spirit parched
1 **4**
I'm desperate for the Bread of Life, and Living Water that satisfies
6 **5** **4**
Jesus won't You sit and dine with me
6 **4** **5**
Your healing words are everything I need (to)

Bridge:

4 **5** **6** **1/3**
Help me live out what I sing, not just empty melodies
4 **5** **6** **1/3**
My heart cries out humbly, Lord I need You
4 **5** **6** **1/3**
Let Your justice start with me, pour out mercy to these streets
4 **5** **6** **1/3** **(5)**
My heart cries out humbly, Lord I need You
